Dear Editor,

I'm sorry I didn't immediately reply to your email as soon as possible because I focused on completing my master's education.

I will improve the paper according to input from reviewers. However, I need assistance accessing the online journal system. Several times, I tried to log in but to no avail with the message "This site can't be reached". Please provide information regarding the paper revision; where can I submit the paper? Thank You

Dear Editor,
I apologize for still being unable to access the MJOC author page. Therefore, I have attached the revised paper, along with a correction log document, to this email. The paper has been updated according to the reviewer's notes.
Thank You

Sincerely,

Nur Makkie Perdana Kusuma

I have attached the latest revision of my paper with additional detailed information about acknowledgment, funding, and authors' contributions.
I will send the copyright form immediately today. If it's not a problem, can I request a letter of acceptance for my paper?

MJoC ANNOUNCEMENT: NEW ISSUE OF MALAYSIAN JOURNAL OF COMPUTING (MJoC), VOLUME 8, ISSUE 2, OCTOBER 2023 External Inbox ×

Maslina (Dr) Abdul Aziz <maslina@tmsk.uitm.edu.my>

to me

Thu, Oct 12, 2023, 9:36 AM

Dear Authors,

Greetings from MJoC. MJoC is an open-access international journal managed by Universiti Teknologi MARA (UiTM), included in the **DOAJ** database and **MyCite**. We would like to express our sincere appreciation to all authors, readers, and supporters for their contributions.

It is with great pleasure to announce that MJoC has published its latest issue, **MJoC VOLUME 8, ISSUE 2, October 2023**, and all articles can be found HERE. MJoC invites you to visit our website and read articles of interest.

MJOC sincerely invites you to consider citing any relevant article published in our journal in your future work. You may conveniently access all articles for download from the "Publication" tab on the MJOC Website, and select the respective volumes.

Thank you for your support.
